Our Vision

To be an effective, inclusive, and trusted civil society organization that contributes to the Kurdish people's aspiration for a free and dignified life and for a respected place within the international community.

Our Mission

To empower the Kurdish community through education, cultural preservation, and inclusive cooperation, while promoting the Kurdish language, fostering youth leadership grounded in national identity and universal values, and strengthening solidarity among Kurds and with other communities.

New Projects

2026

Humanitarian Aid Association

we are currently establishing a dedicated Humanitarian Aid Association in Belgium.

New Associations

Plan to Establish Mala Kurdan Branches Across Europe

Technology Projects

- Brain Games
- Kurdish Language Applications

Annual Cultural and Arts Awards

Starting in 2027, the Cûdî Academy will present the Annual Cultural and Arts Awards.

New Projects

2026

e-School

An e-School is currently being developed to provide accessible education for Kurdish children around the world. The platform will offer Kurdish language education alongside foreign language courses.

Faith Academy

Work has begun on establishing an Academy in Germany that will function as a mosque in practice while adopting an inclusive approach that welcomes people of different faiths and beliefs.

Kindergarten

We plan to establish kindergartens in Germany and Belgium.

New Projects

2026

Green Kurdistan Association

Establishment of an Environmental Association in the Kurdistan Region of Iraq to promote environmental protection and sustainability.

IT Course

The Sipan Association will organize IT courses for students in southeastern Turkey.

Kurdology Institute

Our long-term goal is to establish, within the next ten years, a Kurdology Institute offering postgraduate programmes and advanced research in Kurdish Studies.

Schools in Başur

In the long term, we aim to establish **middle and high schools** in the Kurdistan Region of Iraq.
